1. Would you rather be rich or poor?

- We should see that a person’s economic condition has the potential to help or to hinder them when it comes to valuing what God values
- **1 Timothy 6:9,17**

2. Would you rather be full or empty?

- Those who lack physical comfort are most likely to turn to God’s promise of help
- **Philippians 4:11-12**

3. Would you rather laugh or cry?

- **Romans 12:15 James 4:8-10**
- Believers mourn over their own condition and the condition of the world
- **Psalms 30:5**

4. Would you rather be respected or rejected?

- **1 Peter 2:23 John 15:18**
- How a disciple of Jesus handles rejection is different

If you would rather be rich, full, laughing, and respected maybe the Kingdom isn’t for you. Instead of trusting Jesus you should go ahead and put your trust in politics
