Pastor Greg Wilson

1. The Rich man who went to hell

- Many people occasionally feel guilty about their sins but aren't interested in repentance
- What you believe in matters
- Keeping the Commandments won't save you

2. The Rich man who went to heaven

- Don't count anybody out as a prospect for salvation
- We need to make sure people get a good look at Jesus
- True salvation brings a change of heart

3. Who then can be saved?

- Rich or poor makes no difference with God
- Whosoever shall call upon the name of the Lord shall be saved
