

“You Can Take It with You”
First Thessalonians 2:1-20
Sunday, August 9, 2020
Pastor Greg Wilson

1. Paul was greedy for glory

- He wanted to give God all the glory God deserves by reaching people who would in turn glorify God

2. Church is like family and the family is like church

- The goal is Christian maturity

3. The Word of God does what the word of man cannot

- Just because some don't believe doesn't mean it doesn't work in those who do

4. You can take it with you

- While “Awaiting His Arrival” we boldly yet gently share the gospel with people

Jesus is coming back. Nothing will matter except people.
